Nametapes

All clothes and equipment must be marked with your son's name. If you are re-ordering name tapes it would help to indicate his House letter after his name. Please sew on nametapes and add loops where indicated. Nametapes must be on the outside of all games clothes: on shirts etc., they should be sewn on the left breast and on shorts on the left thigh. Please ensure that there is an adequate supply of nametapes to give to Matron.

All articles marked as 'looped' on the list should be sewn with tape long enough for hanging on pegs. Loops on towels should be sewn midway along one of the long sides.

The School outfitter is:
